Secretarial Audit Report

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Wallfort Financial Services Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Wallfort Financial Services Limited** (hereinafter referred to as 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **Wallfort Financial Services Limited** ("**The Company**") for the period ended on 31st March 2017 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Company during Audit period)

- d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not applicable to the Company during Audit period)
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during Audit period)
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company during Audit period)
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and (Not applicable to the Company during Audit period)
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during Audit period)

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015.

We further report that, based on the representation made by the Company and its Officers in respect of systems and mechanism formed / followed by the Company and on examination of the relevant documents and records in pursuance thereof, on test check basis, the following laws, regulations, directions, orders are applicable specifically to the Company:

- a) SEBI (Stock-Brokers and Sub-Brokers) Regulations, 1992, as amended.
- b) SEBI (Intermediaries) Regulations, 2008, as amended.
- c) SEBI (Depositories and Participants) Regulations, 1996, as amended.

During the period under review and as per representations and clarifications provided by the management, I confirm that the Company has complied with the provisions of the Acts, rules, regulations, guidelines, standards etc. mentioned above except that the Company has not appointed Company Secretary as Key Managerial Personnel as mandated u/s 203 of the Companies Act 2013 and company secretary as compliance officer as required under Listing Regulations.

I further report that compliance of applicable financial laws including Direct and Indirect Tax laws by the Company has not been reviewed in this Audit since the same has been subject to review by the Statutory Auditors and other designated professionals.

I further report that:

- The Board of Directors of the Company is duly constituted with the proper balance of Executive Directors, Non-Executive Directors and Non-Executive Independent Directors subject to the above observations. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes
 on agenda were sent at least seven days in advance and a system exists for seeking and obtaining
 further information and clarifications on the agenda items before the meeting and for meaningful

participation at the meeting.

- All decisions at Board Meeting were carried out unanimously.

I further report that:

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period:

There were no specific events/actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE, DEVELOPMENTS AND OUTLOOK

Recent years have been encouraging for Indian equity investors. Falling inflation, near-zero interest rates in the developed world and a change in the central government in May 2014 have come together to shake the stock market out of its comatose state, attracting higher investments from domestic and foreign investors.

The year FY 17 saw the NDA take some bold steps to curb black money. The economic growth slowed down in Q3 of FY 17 yet the overall economic growth in the last 3 years remains robust. India's GDP grew at 7.1% in FY 17 largely aided by the strong consumption.

Indian Broking Industry is going through a changeover, stock brokers have started to move ahead from conventional broking and are increasingly concentrating on other financial services.

During the year 2016-17, equity market average volumes (ADTO) were Rs. 4.07 tn, up 35.27% YoY. Cash market volumes were 83.94% higher to Rs. 201.50 bn. Within cash, delivery increased by 33% YoY to Rs.80.75 bn. Cash volumes were 84% higher than the average seen between FY 2012-14 and delivery volumes were 107% higher than the FY 2012-14 average. Within derivatives, futures volumes rose 25% YoY to Rs. 626.23 bn.

DII cash volumes increased 30.66% YoY, led by renewed interest in equity mutual funds from retail/HNI investors. The proportion of retail within cash volumes increased to 59.34% YoY while that of DII increased to 9.69% YoY.

Average FIIs registered net inflows this year, after a year of net outflows. Factors like implementation of GST, demontization and other bold moves by the government have lured foreign investors towards India. Even the number of demat accounts have shown significant improvements as compared to previous years due to pick up in the stock market.

OPPORTUNITIES

We believe financial services industry in India has immense potential. The interest in the Indian economy is at an all-time high amongst the global investors. With financial inclusion and focused efforts towards increasing awareness amongst the retail customer base, the growth prospects for the industry are huge.

Opportunities arising out of upturn in macro-economic environment, financial inclusion and favourable demographics will also augur well for our businesses. Our customer base will continue to drive the demand for financial services and provide impetus for sustainable and long-term growth.

We are very pleased to inform you that your company is now servicing 124 Institutional Clients and look forward to become one of the premier destination for Institutions/Corporates/Banks and FIIs in years to come. With the increase in FII flows and positive outlook on DII and Mutual Funds Flows we look forward to generating more business and servicing even more institutional clients. We are enhancing our service capabilities, providing good quality research and efficient market information to our clients.

Strong Brand name 'Wallfort' is a well-established brand among institutional investors in India and Broking Community. Wallfort believes that its brand is associated with high quality research and advice as well as

corporate values like integrity and excellence. The company needs to leverage its brand to grow its businesses, build relationships and attract and retain talented individuals.

THREATS, RISKS AND CONCERNS

Credit risk, interest rate risk, liquidity risk and operational risks are the major risks the company faces. It tried to manage these risks professionally. Cut throat competition on brokerage and low volumes are deterrent to progress of the Stock Broking Business.

The financial sector is affected by a variety of factors linked to domestic economic progress and global developments. Any economic event happening across the globe can have a direct or indirect impact on the Company.

Risk exposure is monitored and controlled through a variety of separate but complementary financial, credit, operational, compliance and legal reporting systems. Risk management department analyses this data in conjunction with the company's risk management policies and takes appropriate action where necessary to minimize risk.

SEGMENT WISE / PRODUCT WISE PERFORMANCE

As the company is only in one line of business i.e. stock broking segment wise or product wise disclosure of performance is not required to be made.

OUTLOOK

The global macro-economic factors play a vital role in determining the path of the securities market across all the countries. In the current extremely interconnected world, the butterfly effect is visible every day. The performances of stock markets are heavily interlinked to the performances of the listed companies and business expectations which are in turn linked to the economy. Therefore, it is vital to take look at the outlook for the major economic regions to understand and predict the performance of stock markets.

FY 17 witnessed a series of high intensity events in different regions that had an adverse impact across the globe. Uncertainty over the health of leading European banks, low oil price, Brexit, political instability, slowdown in China, and slow pace of US recovery are some of the major events that had a negative impact on businesses. The dark shadows of the great recession in 2008 and 2009 are yet to be fully lifted and are expected to linger in 2017 as well. However, the growth in FY 18 is expected to come from government programs and monetary policies aimed to increase the aggregate demand. Therefore, the performances of stock exchanges worldwide are expected to be mildly positive.

Your company is optimistic about the current financial year as the monsoons have been good and with the GST here it believes the Indian economy will perform better resulting in stock markets seeing new highs.

Company is also focusing on growth of Institutional Brokerage Business by building new strategy to cater to clients and add new clients. The overall Risk Reward ratio also looks favourable as the global liquidity into the markets is robust. Hence with a better research and vigilance of the markets and improving economic and corporate activities our outlook for the forthcoming year brings a hope of good business and returns.

RISK MITIGATION

There have been geopolitical upheavals but they have not been able to make any significant impact upon the capital markets. These tensions, of late, have been easing and this has resulted in further improvement in the global investment climate. The stock markets in India are not immune to the global developments.

Risks are assessed and ranked according to the likelihood and impact of them occurring. Existing controls are assessed and mitigation measures discussed.

Risk are assessed and reviewed regularly at top level and risk mitigation measures taken promptly to address any adverse situation. Moreover your company is essentially involved in arbitrage opportunities and with the introduction of the uniform settlement cycle the arbitrage opportunities have significantly reduced.

MANAGEMENT PERCEPTION AND INITIATIVES:

Bull and Bear phase are an integral part of the Stock market cycle. Although the uniform settlement cycle has resulted in reduced arbitrage opportunities, the company has shifted focus on growing the institutional business as the robust growth of FIIs and DIIs inflows has become the silver lining opportunity.

The Management also looks forward to better risk reward scenarios in the future and hence is very upbeat on the investments made by the company through good quality research and there is high probability that it will make healthy returns on the same.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has appointed M/s. H. N. Bafna & Co., Chartered Accountants as the Internal Auditors as mandated under Section 138 of the Companies Act, 2013 who examines and ensures adequate internal checks and control procedures. ANNEXURE B TO THE AUDITORS REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Wallfort Financial Services Ltd. ('the Company') as of 31 March 2017 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes:

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE ACCOUNTS

(A) SIGNIFICANT ACCOUNTING POLICIES

1. Basis of preparation of financial statements

The accompanying financial statements are prepared under the historical cost convention, in accordance with Generally Accepted Accounting Principles in India comprising the mandatory accounting standards issued by the Institute of Chartered Accountants of India and the provisions of the Companies Act, 2013, on the accrual basis, as adopted consistently by the Company.

2. Use of estimates

The preparation of financial statements in accordance with Generally Accepted Accounting Principles requires the management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses including the disclosures of contingent assets and liabilities as of the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any differences of actual results to such estimates are recognized in the period in which the results are known / materialized.

3. Fixed Assets and Depreciation

Fixed Assets are stated at cost less accumulated depreciation. The cost of the Fixed Assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. The company provides pro-rata depreciation from the date on which asset is acquired / put to use. In respect of assets sold, pro rata depreciation is provided up o the date on which the asset is sold. On all assets depreciation has been provided using the Straight Line Method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

4. Borrowing Costs

Interest and other costs in connection with the borrowing of the funds to the extent related / attributed to the acquisition of qualifying fixed assets are capitalized upto the date when such assets are ready for its intended use and other borrowing costs are charged to the Profit and Loss Account.

5. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other Investments are classified as Long Term Investments. Investments are further classified into Investments in Unquoted shares, Investments in Quoted shares, Investment in Partnership Firm and Investment in Mutual Fund. Long term investments are stated at cost. However, provision for diminution in value is made to recognize a decline other than temporary, if any in the value of investments. Current investments are valued at lower of cost and market value.

6. Revenue Recognition

Income from operations comprises profit / loss on sale of investments and derivative instruments.

Dividend Income is recognized when the right to receive payment is established.

Interest on fixed deposits is recognized on time proportion basis.

In respect of other heads of income the company accounts the same on accrual basis.

7. Employee Benefits

Defined Contribution Schemes:

The Company has Defined Contribution Plans for post employment benefits namely Provident Fund that is recognized by the Income Tax Authorities.

Under the Provident Fund Plan, the company to the Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.

The company contributes to state plans namely Employees State Insurance Fund and Employees Pension Scheme and has no further obligation beyond making its contribution.

The company's contribution to the above funds is charged to revenue every year.

Defined Benefit Plans:

Gratuity is post employment benefit and is in the nature of Defined Benefit Plan. The liability recognized in the Balance sheet in respect of gratuity is the present value of defined benefit obligation at the balance sheet date together with the adjustments for unrecognized actuarial gains or losses and the past service cost. An independent actuary calculates the defined benefit obligation at the balance sheet date. Actuarial Gains or losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognized immediately in the Profit and Loss account as Income or Expense.

Compensated Absences:

As per the policy of the company, an employee cannot carry forward leave. The accumulated leave has to be enchased annually. As no obligation arises on account of employees rendering service that increases their entitlement to future compensated absences, the amount of compensated absence paid is charged to the Profit and Loss account.

Termination benefits are recognized as an expense as and when incurred.

8. Taxes on Income

Income Tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the period).

Current Tax:

Provision for current tax is made on the basis of estimated taxable income for the accounting year in accordance with the Income Tax Act 1961 after considering tax allowances and exemptions, if any.

Deferred Tax:

A deferred tax charge or credit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance sheet date. Deferred tax charge or credit is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount. Deferred tax assets are recognized only if there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized and are re-assessed for the appropriateness of their respective carrying values at each balance sheet date.

9. Impairment of Assets

The carrying value of fixed assets is reviewed for impairment at each Balance Sheet date to determine whether there is any indication of impairment.

If the carrying value of the fixed assets exceeds its estimated recoverable amount, an impairment loss is recognized in the Profit & Loss account and the fixed assets are written down to their recoverable amount.

10. Foreign Currency Transactions

Transactions in the foreign currency, which are of revenue nature, are accounted for at the exchange rate prevailing on the date of transaction. Current liabilities and/or assets are translated of the year-end rate. The difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation at the end of the year is recognized as income or expenses as the case may be.

11. Provisions, Contingent Liabilities and Contingent Assets

The company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure of a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources. When there is a possible obligation or a present obligation that the likelihood of outflow of resource is remote, no provision or disclosure is made. Contingent liabilities are disclosed by way of a note.

Contingent assets are not recognized. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognized in the period in which the change occurs.

12. Prior Period

The Income or expense which arise in the current period as a result of errors and omissions in preparation of financial statement of one or more prior period are considered as prior period items and are shown separately in the financial statements.

13. Cash Flow

Cash Flows are reported using the Indirect Method whereby Profit before tax is adjusted for the effects of transaction of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular operating, financing and investing activities of the company are segregated.

(B) NOTES FORMING PART OF THE ACCOUNTS

1. Deferred Tax

For the current year, a sum of Rs. 10,93,770/-(Previous year - Rs. 20,52,278/-) has been recognized as a deferred tax in the Profit & Loss Account and the same has been credited to the Deferred Tax Asset a/c in the Balance Sheet.
